

Easter Group

Minutes for June 11, 2010 meeting

Present: Mim McConnell, Judy Ozment, Joan Vanderwerp

May 14 Minutes were approved.

Mim reported that the FIT grant application had been submitted. Notification will be by September 30, 2010.

- Judy reported the Episcopal Church Women (ECW) are committed to helping the Easter Group with the BMS Breakfast Program. Judy will make arrangements with ECW for some funds to help at the beginning of the school year, prior to receiving FIT Grant funds (if approved).
- Mim will talk with Dorrie about firming up plans with the Principal of BMS, i.e. payments, when they need money, etc.
- Those present think it would be good to approach community churches for regular monthly contributions. Mim will draft a letter that will be sent to EG members for review and comments.

Other food programs were discussed (grocery program, slow cooker program, supper program). Ginny Wood (heard via Judy) has been exploring the supper program idea. It was agreed to hold off on other food programs until regular funds are established for the BMS Breakfast Program as they will also require fund raising.

The next meeting date will be set via email.
